37169

Fusible Mini LED 5 ampères - 25 pcs

A pack of 5 amp LED mini blade fuses. The patented construction design of intelligent fuses are manufactured and tested to the strict OEM requirements and SAE standards for automotive use. With the built-in LED indicator, a blown fuse can be quickly and easily identified and replaced. Intelligent fuses can replace traditional car fuses without the need of any modification and will provide the same performance.

Additional Information
