

Smart Clean Stripping Disc 115mm / 4 1/2" inc Reversible

A smart stripping disc, supplied complete with a reversible adaptor. Cleans surfaces faster and more effectively than wire brushes, with the thin width of the disc allows access into tight corners for complete cleaning, stripping and preparation. The adaptor converts 3/8" to M10 and enables the disc to be reverse mounted.

Additional Information

- Disc design forces air down through the disc which reduces heat & prevents the panel deforming.
- Reversible installation gives more ergonomic operation to restricted areas.
- Diameter: 115mm (4 1/2"). Max 9,500rpm.
- Supplied with reversible adaptor (Part No. 32143), converts 3/8" to M10, enables the disc to be reverse mounted.
- Replacement discs available separately, please see Part No. 32142.
