

## Abracs Quick Lock Bristle Brush 50mm x P50 Green 5pc

Fast running 50g ceramic grit discs, for efficiently cleaning, stripping, blending and deburring many substances from metal surfaces without damaging the work-piece. Flexible bristles conform to contours of the work-piece to produce consistent finishes on the most uneven surfaces, whilst keeping surface temperature cool to prevent warping. The twist on / twist off fitting allows products to be fitted and removed quickly, safely and easily.
