

Swivelling Pipe Holder & Cable Tie - 10pc

A pack of 10 cable routing trim clips, equivalent to BMW OEM 34317683767, featuring an integral cable tie closing and designed for keeping hoses and electrical wires in place. As used in BMW 1 & 3 series cars (F20, F30, F31) and C600, C650, HP2 sport, R1200S & RnineT motorcycles.

Additional Information

- Car and motorcycle hose & cable clip.
- Dimensions: Cable tie 142mm x 4.5mm | Overall width 10mm | Pipe sizes 6 to 10mm.
- Equivalent to BMW OEM 34317683767.
- Designed to ensure the safe and secure routing of fluid pipe by clipping them close to other fixed cables or structural fixings. The C clip allows the pipe to be removed and refitted without cutting the cable tie.
- Material = Black Polyamide 66. 10 pc poly bag.
