

## Car Wash Kit 4pc

A 4 piece professional car cleaning kit comprising of a microfibre noodle wash mitt, a microfibre cloth, an alloy wheel brush, and a microfibre sponge. Suitable for use in the workshop, bodyshop, or at home. The wash mitt features an abrasive mesh fabric on one side to help remove stubborn dirt or marks on one side, and absorbent microfibre noodles on the other to trap dirt and grime and lift it away from the vehicle with ease. The microfibre cloth absorbs water and leaves a streak free finish. The alloy wheel brush features flexible head and tough bristles enabling it to actively lift dirt, road grime and brake dust from the wheel surfaces without causing damage to the finish. The microfibre sponge holds water and features a strap for better grip and is finished in a soft scratch free material.
