

Professional Garage Workshop Wipes 100pc

Quick and easy way to clean hands. Contains Isopropyl alcohol which is a secondary alcohol which is used in the manufacture of a wide variety of industrial and household chemicals and is a common ingredient in chemicals such as antiseptics, disinfectants and detergents. Ideal for hands, working tools and any hard surfaces. Please dispose of used wipes into waste bin after use. Caution - This product is for external use only. Please do not make contact with eyes or mucous membranes. Try to avoid contact with open wounds. We still advise you wash your hands before consuming food. **Keep out of the reach of children and store in the shade.
